

Criminal Justice Coordinating Council

Annual Report 2019

Executive Director, Holly Matthews Esq.

It is hard looking back at 2019 through the current lens of 2020. The work completed in 2019 has laid a strong foundation to weather the challenges presented by the current COVID-19 pandemic. Th Criminal Justice Coordinating Council (CJCC) continues to play an integral role in the on-going criminal justice reform efforts in Lucas County and continues to expand the existing integrated IT infrastructure through the Northwest Ohio Regional Information System (NORIS).

The CJCC is continuing its efforts to further criminal justice reform in Lucas County. The CJCC is a core team member for the Lucas County Safety + Justice Challenge (SJC) - a \$1.7 million initiative to enhance SJC jail reduction strategies. Since implementation of the SJC strategies, the local jail population has been reduced by 29%.

To further this work, the CJCC received a \$1,000,000 Innovation in Reentry Initiative funding to address the negative impacts children face when a parent is incarcerated at the Correctional Treatment Facility (CTF) and the Western Ohio Regional Treatment and Habilitation (W.O.R.T.H.) Center. The Lucas County Mental Health and Recovery Services Board, with the assistance of the CJCC, received a \$400,000 Justice and Mental Health Collaboration Program grant to create a pilot triage center to better meet the needs of individuals with behavioral health needs that come into contact with law enforcement by diverting those individuals away from the criminal justice system. CJCC has also received \$1,190,679 in Justice Reinvestment Initiative funding to enhance information sharing by integrating Ohio Department of Rehabilitation and Correction (ODRC) data and Lucas County Court of Common Pleas data into NORIS. Utilizing funding through the Ohio Supreme Court Technology Grant, Maumee Municipal Court is transitioning to a full NORIS Court Case Management User. This transition further expands local data integration.

Additionally, CJCC has continued its participation in several national initiatives. The National Network of Criminal Justice Coordinating Councils (NNCJCC) provides a forum for local CJCCs to learn from each other and to build local capacity for system improvement. Through the network, CJCC has participated in the Data Driven Justice (DDJ) Initiative coordinated through the National Association of Counties (NACO). DDJ's focus is to increase the capacity for cross system information sharing at the local level. To further enhance this work, Lucas County has been selected as a member of the NACO Peer Learning Network. The Peer Learning Network will provide access to resources and tools to increase cross-system information sharing capacity. It is my hope that engagement in the discussion of information sharing on a national level will lead to ideas on how to strengthen our robust information sharing infrastructure that has been established through NORIS. With all that has been accomplished in 2019, there is much more to be done.

CJCC National Initiatives

National Network of Criminal Justice Coordinating Councils (NNCJCC)

CJCC is an active member of the National Network of Criminal Justice Coordinating Councils(NNCJCC). The Network is a forum to engage in national problem-sharing and problem-solving discussions about creating system and sustaining change, coordination and collaboration among diverse stakeholders, emerging justice system challenges, and effective strategies for addressing these challenges. CJCC was able to attend the 2019 annual meeting in Portland, Oregon.

NNCJCC Members: Bernalillo County, NM; Buncombe County, NC; Charleston County, SC; Charlottesville, VA; Clinton County, IA; Coconino County, AZ; Dallas County, TX; Denver, CO; District of Columbia; Dutchess County, NY; Eau Claire County, WI; Franklin County, OH; Harris County, TX; Hennepin County, MN; Jefferson County, KY; Johnson County, KS; Lake County, IL; Lewis and Clark County, MT; Los Angeles County, CA; Lucas County, OH; Mecklenburg County, NC; Milwaukee County, WI; Multnomah County, OR; New Orleans, LA; Oklahoma County, OK; Palm Beach County, FL; Pinellas County, FL; Salt Lake County, UT; Sacramento County, CA; and Winona County, MN

Data Driven Justice (DDJ) Initiative

Lucas County has been participating in the Data Driven Justice (DDJ) Initiative since June 2016. DDJ is convened by the National Association of Counties (NACo). The focus of DDJ is to identify and divert people with mental health challenges who do not need to be in jail to reduce jail admissions, and to improve treatment and outcomes. The following are the goals of the Initiative: 1) Real-time data sharing to address the needs of "Super Utilizers" and other at-risk individuals through alternatives to incarceration; 2) Share data across health, education and criminal justice to identify people who are frequent system utilizers and provide linkage to supportive services and care management that are more effective at treating mental and physical health needs; 3) Create tools, training and capacity to support pre-arrest diversion; and 4) Implement data-driven Pre-Trial Risk Assessment Tools. On-going conference calls and local input led to the creation of the Data Driven Justice Playbook: https://www.naco.org/resources/data-driven-justice-playbook

MacArthur Safety + Justice (SJC) Challenge

Lucas County is one of 28 implementation sites that will implement ambitious reforms to make their local justice systems fairer and more effective. Lucas County was awarded \$1.65 million to implement the following six strategies: Law Enforcement Practices; Managing Based on Risk; Improving Case Processing; Diversion of Underserved Populations; Coordinated Community Corrections Practices; and Addressing Racial and Ethnic Disparities. CJCC is a member of the SJC Core Planning group that has been working closely with the Lucas County Commissioners Office (the lead agency) throughout the planning and implementation phases of the SJC. Data collection for the initiative is the responsibility of CJCC. The goal of the Challenge is to reduce the local pretrial and sentenced jail population by 29-32%

Behavioral Health/Criminal Justice (BHCJ) Committee

Mission: To improve outcomes for people who find themselves at the intercept between the behavioral health and criminal justice systems.

Vision: To support and enhance collaboration between the behavioral health and criminal justice systems to improve outcomes for individuals, reduce inappropriate incarceration, increase access to services and enhance public safety.

BHCJ Committee Members 2019

- Judge Lindsay Navarre, Committee Chairman
- · Sheriff John Tharp, Lucas County Sheriff's Office
- Chief George Kral, Toledo Police Department
- Sean McNulty, Chief Public Defender
- Prosecutor Julia Bates, Prosecutor, Lucas County Prosecutor's Office
- Commissioner Tina Skeldon Wozniak, Lucas County Board of Commissioners
- Judy Forgac, Court Diagnostic and Treatment
- Johnetta McCollough, TASC
- Chief Jeff Newton, Metro Toledo Criminal Justice Association
- Scott Sylak, MHRSB
- Deb Florez , ZEPF Center
- Robin Isenberg, NAMI Greater Toledo
- Judge Joshua Lanzinger, Toledo Municipal Court
- John Debryne, Rescue Mental Health and Addiction Services
- Robert Kasprzak, Mental Health Recovery Services Board
- **Bud Hite, Correctional Treatment Facility**
- Michele Myerholtz, Lucas County Board of Developmental Disability
- Leslie Witherall, Veterans Affairs
- · Teresa Butler, Harbor
- · Wendy Shaheen, A Renewed Mind
- Judge JAck Puffenberger, Lucas County Probate Court
- · Jeff DeLay, Unison Health

Summary

On March 1, 2017 an agreement was made by and between the CJCC and Mental Health and Recovery Services Board of Lucas County (MHRSB) to establish a Behavioral Health/Criminal Justice Coordinator position to enhance the collaboration between the two systems. The coordinator was hired on November 13, 2017. The CJCC established the Behavioral Health/Criminal Justice Committee to focus on the intersections of the criminal justice and behavioral health systems. The BHCJ Committee met for the first time on July 19, 2018 following the Sequential Intercept Mapping (SIM) Workshop that took place in May. This committee, along with the BHCJ Coordinator, led the review process of the draft SIM report from September until November and on December 19, 2018 the committee approved the final draft. This report helped the BHCJ Coordinator develop a working plan, goals, and objectives for 2019 with guidance from the BHCJ Committee.

HIGHLIGHTS:

Awarded a \$400,000 FY18

Justice and Mental Health

Collaboration Grant

The MHRSB was awarded a \$400,000 FY19 Justice and Mental Health Collaboration Grant . The grant was submitted in collaboration with CJCC.

Lucas County named a NACo Peer Exchange Learning Site

BHCJ Grants Awarded

FY18 JMHCP

The CJCC was awarded a \$400.000 Justice Mental Health Collaboration Program (JMHCP) grant through the U.S. Department of Justice (DOJ), Office of Justice Programs (OJP). The funding enabled the BHCJ Committee to develop a detailed plan to implement timely screenings for individuals suffering from mental illness and co-occurring mental illness and substance use within the Lucas County Corrections Center (LCCC). The BHCJ Committee, with the help of NORIS, has established an automated process for tracking the impact of this program.

The planning phase was completed in October 2019. The implementation of phase 1 of the program began on November 4, 2019. Phase 1 included the implementation of the Brief Jail Mental Health Screener being conducted on every person booked into the

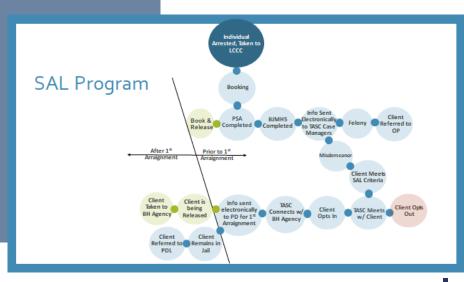

LCCC. Phase 2 will launch in the beginning of 2020 and will include the addition of project coordinators housed within the LCCC to conduct brief case management and link program participants to behavioral health treatment in the community.

The BHCJ Coordinator continues to provide management and oversight of this project during the implementation phase.

60-Day Results 1,721 Screens Completed Out of 1,741 Total Jail Bookings

Actual % Screened

NACo Peer Exchange

The CJCC submitted an application for the NACo Peer Exchange and was successfully selected. This peer learning opportunity supports 10 counties with an interest in addressing the needs of individuals with mental illness in their criminal justice systems, with an approach and framework that aims to also reduce racial and ethnic disparities seen in this population. We will work over an 18-month period to develop an action plan for developing and implementing a comprehensive and integrated data-sharing and notification system to allow both the criminal justice and behavioral health systems access to information that will aid in continuity of care and better serve the population of individuals that are suffering from mental illness that are justice-involved. There will also be an intentional review of data to help identify areas where racial and ethnic disparities exist in accessing treatment or in arrest or incarceration polices to help address and reduce this impact. This opportunity takes place between January 2020 and June 2021.

FY19 JMHCP

The BHCJ Coordinator assisted the MHRSB in the FY 2019 JMHCP Competitive Grant Submission on July 12, 2019. The application was successful and will allow for the development and implementation of a behavioral health deflection unit. The planning and implementation phase of this project will support the following activities: 1) develop a plan to provide a physical space as an alternative to jail where law enforcement can take individuals who have committed nonviolent offenses: 2) identify through the planning phase and an RFP process the appropriate implementation agency to house and operate the deflection unit. The implementation agency would operate this pilot program which would provide a safe and supportive environment for those suffering from mental illness/co-occurring mental illness and substance use before they are then referred/linked to appropriate behavioral health treatment (either at the implementation agency within existing services provided or to another community agency better suited for that individual's needs). Total grant amount is \$400,000 with an additional \$100,000 in local match. The match was provided by the MHRSB and CJCC. The grant period will run from October 1, 2019 to September 30, 2021. The BHCJ Coordinator will be responsible for the management and oversight of this project and will oversee and organize all technical assistance during the planning and implementation phase of the project.

Stepping Up Efforts

Stepping Up Site Visit Luncheon

On February 22, 2019 Justice Stratton, Thom Craig and the Stepping Up Ohio team hosted a luncheon in Toledo to discuss Lucas County's Stepping Up efforts. Stakeholders engaged in efforts to reduce the prevalence of people with mental illness in jail highlighted the significant progress Lucas County has made towards improving outcomes for the county's most vulnerable residents. Congresswoman Kaptur and State Senator Gavarone provided the welcome/opening of this meeting.

CSG Site Visit

The Council of State Governments (CSG), the technical assistance provider for the FY 2018 JMHCP Grant conducted the Lucas County site visit in December 2019. Lucas County highlighted the multiple programs and grants that work in conjunction with the SAL program as well as other initiatives in the criminal justice and behavioral health fields, toured the Lucas County Corrections Center, reviewed baseline data and the data dashboards created by NORIS, met with the Opportunity Project Staff, and had an opportunity to attend the BHCJ Committee Meeting.

One of the exciting developments from this site visit was CSG identifying Lucas County as a leader in adopting Stepping Up's recommended 6-step approach. CSG is encouraging us to apply as a Stepping Up Innovator County. Stepping up is highlighting counties from around the country for their ability to accurately identify people in their jails who have serious mental illness to better connect them to treatment and services, collect and share data on these individuals use this information to inform local policies and practices. As a Stepping Up Innovator County we will:

- Participate on or conduct webinars
- Mentor fellow counties in peer-to-peer learning calls
- Host site visits in Lucas County with other county leaders that are interested in learning about our efforts in implementing the jail screener, collecting and sharing data, and connecting individuals to treatment
- Participate on related conference workshops and panels
- Actively participate in quarterly phone calls of the Stepping Up Innovator Counties

The BHCJ Coordinator submitted the application Friday, December 20th. When our application is approved we will become the 18th innovator site in the country and the second county in Ohio.

Ohio Driver License Reinstatement Amnesty Legislation

In December 2018, Governor Kasich signed into law House Bill 336, which created the Reinstatement Fee Amnesty Initiative - a six-month program for driver license reinstatement fee reduction and waiver for offenders whose driver licenses have been suspended for specific violations. Lucas County alone has over 154,000 drivers that have not reinstated (Bureau of Motor (BMV) data) and it is a huge barrier for the reentry population. The law went into effect on January 31, 2019. The CJCC collaborated with the Toledo Municipal Court, the Toledo Municipal Clerk of Courts, the Toledo Bar Association, ABLE/LAWO, the Lucas County Legal Aid Society, and the BMV to host a series of clinics during the six-month period that the legislation was effective. The collaborative group hosted five very successful license clinics throughout the spring and summer. The State Legislature and Governor DeWine extended the Amnesty period from the original end date of October 17, 2019 until December 31, 2019. During the extension, we were able to host two additional license clinics. The results from all seven were astonishing and had a huge impact for our community.

	Clients Served	Reinstatement Fees Waived
April 1, 2019	900	\$9,566.00
May 3, 2019	138	\$66,761.00
June 6, 2019	68	\$24,010.50
July 15, 2019	113	\$42,115.50
July 29, 2019	136	\$93,221.00
October 21, 2019	85	\$40,893.50
December 2, 2019	120	\$64,661.00
Total	750	\$341,228.50

CJCC Reentry Grants

2016 Second Chance Act Co-Occurring Grant

The FY16 Second Chance Act (SCA) Co-Occurring grant is building partnerships and assuring a well-coordinated system of care and support to assist returning citizens with Co-Occurring Disorders leaving the local Halfway Houses and the Correctional Treatment Facility (CTF) to successfully integrate back into the community. Adding CTF, in late 2018, as a referring facility has had a very positive impact on grant activities. Grant partners provide an overview of the program at the weekly CTF orientation sessions. This helps obtain referrals early, instead of waiting for referrals from case managers. The grant provides case management services (TASC), educational and employment resources (Zepf/NetWORK), assistance with driver license issues, and other legal matters. A 12 month no-cost extension was approved by BJA in August 2019. The grant will be operational through September 2020. There have been 88 participants referred to the grant for services.

2019 Justice Reinvestment Initiative Grant (JRI)

CJCC received a \$1,250,000 JRI grant for NORIS to develop a first of its kind, comprehensive and integrated data-sharing and notification system using data from the Ohio Department of Rehabilitation and Corrections (ODRC) regarding violent offenders being released back to Lucas County. The project period is three years (October 2019 - September 2022). This information will be provided to law enforcement and reentry advocates prior to the individual's release for the purpose of developing reentry plans and informing law enforcement of the areas to which violent offenders will be returning upon release.

2019 Innovative Reentry Initiative (IRI) Grant

CJCC received a \$1,000,000 IRI grant with a \$1,000,000 local match requirement funded through local project partners including \$500,000 in Housing Choice Vouchers for families. The project period is four years (October 2019 – September 2023). The funding will allow the CJCC Reentry Coordinator to lead an overall reentry system assessment to identify strengths and gaps and create an action plan to increase system capacity. Additionally, the project will fund the implementation of a demonstration project, in collaboration with The Ridge Project, focusing on recidivism reduction and promoting successful reentry among incarcerated parents by strengthening relationships with their families. The referral institutions are the two Community Based Treatment facilities in Northwest Ohio – CTF (Lucas County) and the W.O.R.T.H Treatment Facility (Allen County). The first year of the grant will be solely conducting planning activities.

Building on the IRI Action plan leveraging grant funds to meet the needs of Lucas County returning citizens.

\$2,250,000 in federal grant funding awarded in 2019 to enhance Lucas County's continuum of Reentry Services.

Funding secured to continue the Reentry Coordinator position for 4 years (through 2023).

CJCC Reentry Initiatives

On April 26, 2019, the CJCC Reentry committee, with the support of Tom Luettke, CJCC Reentry Coordinator, hosted a reentry simulation event to give participants knowledge of the many challenges faced by returning citizens. The event highlighted National Second Chance Month (April) and the reentry work being done in Lucas County. Eighty participants and volunteers including Judges, elected officials, probation, jail staff, and reentry advocates attended the simulation. The City of Toledo issued a proclamation honoring April as Second Chance Month. Judge Kuhlman, Chair of the CJCC Reentry Committee, and CJCC's reentry coordinator addressed City Council and thanked the Council for their continued support.

Reentry Committee Members

Timothy Kuhlman, Judge Toledo Municipal Court, Committee Chairman Dr. Cecelia Adams, Toledo City Councilwoman Vernelis Armstrong, Federal District Court (retired Magistrate Judge), RCNWO Lenora Barry, Community Advocate, RCNWO Julia Bates, Prosecutor, Lucas County Prosecutor's Office Denise Navarre Cubbon, Judge, Lucas County Juvenile Court Kenneth Fallows, Toledo Lucas County Plan Commission Tara Hobbs, Youth Treatment Center, RCNWO George Kral, Chief, Toledo Police Department Tom McCarter, RCNWO Veronica Murphy, Private Attorney, RCNWO Michael Navarre, Chief, Oregon Police Department Jacob Spellis, Goodwill, RCNWO **Chris Stewart, Reentry Coordinator of Adult Parole Authority** Demetria Simpson, President, Lucas County Metropolitan Housing Authority Karyn McConnell, RCNWO Dave Kontur, RCNWO

Case Processing Jaskforce

<u>Case Processing Task Force</u> Members

Julia Bates-Chair Lindsay Navarre Gary Byers Michelle Butts Matthew Heyrman Sean McNulty Scott Sylak John Tharp Timothy Kuhlman David Toska

As part of the Safety + Justice Challenge, JFA conducted a "stress test" in 2018 to understand the case flow through our criminal justice system. In 2019, the CJCC created the Case Processing Task Force to address problem areas identified in the stress test and to work towards other case processing improvements leading to a reduction in jail bed days. The task force has been meeting bi-monthly throughout 2019

GRANTS MANAGEMENT

CJCC Grants Management staff strives to continue the long tradition of administering federal grant funds successfully through providing financial, programmatic and technical assistance. The Allocation Review Committee (ARC) is comprised of individuals who represent various criminal justice agencies throughout the community. The committee continues to implement the use of a local funding plan (The ARC Strategic Plan) which continues to be instrumental in the development of local projects that aim to enhance and strengthen our local criminal justice system.

ARC STRATEGIC PLAN

The Allocation Review Committee (ARC) adopted a strategic plan to guide future funding decisions with the goal to fund projects that align with the CJCC and meet the needs of the community.

The goal of the strategic plan is to identify and fund programs that increase awareness surrounding the following sections: 1) Juvenile; 2) Domestic Violence; 3) Law Enforcement; 4) Reentry and 5) Substance Abuse and Mental Health Issues. The plan is used to identify and enrich collaboration efforts amongst local agencies to foster a stronger coordinated response to enhancements and/or gaps that exist within our community. Additionally, the plan supports funding administered by CJCC programs including JJDP, Title II, JAG and SCA.

Prospective grant applicants are required to align their project proposals with the ARC Strategic Plan. The plan will be reviewed on a regular basis and updated according to current needs. CJCC grants staff began the task of updating the Strategic Plan with the goal of completion before Jan 1, 2021.

2019 ARC MEMBERS

Myron Duhart, Judge, Lucas County Court of Common Pleas
Denise Navarre Cubbon, Judge, Lucas County Juvenile Court
Cheryl Hunt, Deputy Chief, Toledo Police Department
Lynn Jacquot, Board Member, Ohio Domestic Violence Network
David Kontur, Executive Director, Lucas County Family Council
Timothy Kuhlman, Judge, Toledo Municipal Court
Diana Minor, Budget Analyst, Lucas County Office of Management and Budget
Libby Schoen, Director of Education, United Way of Greater Toledo
Michael Navarre, Chief, Oregon Police Division
Bill Sanford, Safety Director, City of Sylvania
Sandy Spang, Councilwoman, Toledo City Council
Scott Sylak, Executive Director, Lucas County Mental Health and Recovery

John Tharp, Sheriff, Lucas County Sheriff's Office Robert Vasquez, the Toledo Zoo

Julia Bates, Prosecutor - Committee Chairman

Federal Grants

Justice Assistance Grant (JAG) is a cornerstone federal crime-fighting program, supporting the federal government's crucial role in spurring innovation, as well as testing and replicating evidence-based practices nationwide. States and local communities are able to use these funds to address needs and fill gaps across their entire criminal and juvenile justice systems, including prevention, enforcement, courts, prosecution, indigent defense, corrections, crisis intervention and behavioral health services for justice-involved persons, victim assistance, and other community supports.

2019 Programs (FY16/FY17/FY18) Local JAG Programs

- Advocating Opportunity Advocating for Victims of Human Trafficking: \$17,281.48
- Toledo Police Department Gun & Drug Analysis Program: \$40,359.38
- Lucas County Juvenile Court Community Detention & EM Program: \$59,350.34
- Oregon Police Division Mobile Forensics Training Program: \$34,359.48
- Lucas County Prosecutor's Office Domestic Violence High Risk Team (DVHRT): \$38,409.75
- Center of Hope Elevate Afterschool Program: \$18,478.74
- Lutheran Social Services of Northwest Ohio Reentry Case Management: \$39,092.67
- The Toledo Police Department: \$155,523.55
- Lucas County Sheriff's Office: \$66,652.95

2019 Programs

- Toledo Police Department Toledo Police Youth Intervention Program: \$24,703.23
- Lucas County Juvenile Court Circles & Verses: \$60,000.00
- My Sister's House The Lies that Blind: \$24,703.23

Juvenile Justice and Delinquency Prevention (JJDP) - Title II In 1974, Congress enacted the Juvenile Justice & Delinquency Prevention Act (the Act). From the Act, the Federal Office of Juvenile Justice and Delinquency Prevention (OJJDP) and the Title II Formula Grant program were created. The purpose of the Title II program is to assist communities in addressing juvenile crime and delinquency at the local level.

JAG is a critical federal funding stream for our local law enforcement agencies here in **Lucas County.** These funds provide our local law enforcement agencies with the necessary resources to prevent and reduce crime. The **Toledo Police** Department (TPD) and the Lucas **County Sheriff's** Office (LCSO) received funds from FY18 to support their programs.

Federal Grants

Violence Against Women Act (VAWA)

The STOP VAWA Program was authorized in 1994 and reauthorized in 2005. The STOP Program emphasizes coordinated, community approaches to reducing violence against women and creating mutually respectful partnerships between the criminal justice system and victim service programs.

2019 Programs

- Lucas County Sheriff's Office Integrated Investigations: \$32,207.66
- Family and Child Abuse Prevention DV Court Advocacy: \$28,260.29
- Lucas County Prosecutor's Office VAW Response Team: \$56,362.91
- Toledo Police Department Toledo Police Special Victims Unit: \$26,362.45
- YWCA of NW Ohio YWCA DV Outreach Advocate Case Manager: \$38,026.78
- Advocating Opportunity Advocating for Victims of Human Trafficking: \$19,232.48
- Lucas County Juvenile Court Family Violence Intervention Project: \$24,999.08

The Toledo Police Department (TPD) began implementation of the Danger Assessment for Law Enforcement (DA-LE) in early 2019. The DA-LE consists of 11 questions and an officer responding to a domestic violence call uses the DA-LE to collect a history of violence. A score exceeding a predetermined threshold indicates a victim is at an elevated risk of homicide and severe/near-lethal assault.

CJCC In The Community

The Criminal Justice Coordinating Council has a commitment to supporting the needs of this community in all aspects of the justice system. We offer services at many events taking place in our community throughout the year.

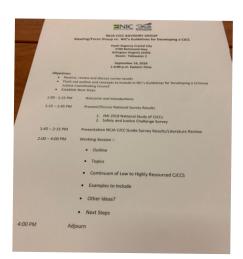

Northwest Ohio Regional Information System (NORIS)

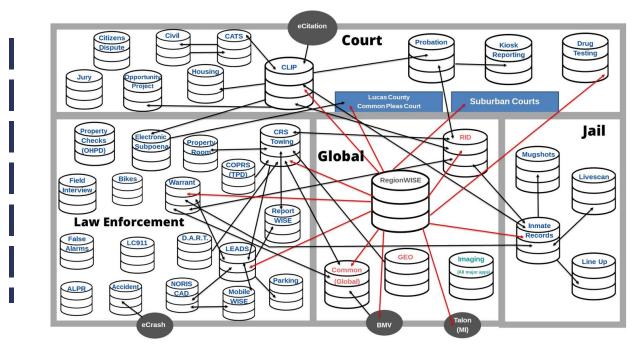

2019 NORIS Projects

System improvements to increase efficiency or to provide disaster recovery options.

SAN (Storage Area Network) upgrade.

- This upgrade allows faster reading and writing of data.
- Faster back-up of data.
- New SAN uses less power.
- New SAN generates less heat.
- Higher reliability due to lack of moving parts in disks.

Back-up generator (NORIS data center)

 NORIS data center was connected to the One Government Center generator manged by the Toledo-Lucas County Port Authority.

Uninterrupted Power Supply (UPS)

• Additional batteries were added to provide 2.5 hours after a power failure.

Wireless Emergency Network System (WENS)

 The CJCC contracted with Lucas County to utilize their text messaging system.

Disaster Recovery Request For Proposal (RFP)

• CJCC staff in collaboration with a consultant is drafting a RFP to select a vendor to provide either off-site or cloud data recovery solution due to a NORIS data center outage.

2019 Application Upgrades

- Vehicle registration process complete
- Electronic Subpoena event notification emailed to law enforcement
- Multiple case payments/receipt modifications
- Maumee Court began migration to CLIP

- Rewrite ReportWISE as report application
- DA-LE Enhancements
- Field Interview Integration
- LEADS/Warrant enhancements
- Case Management
 Module Enhancements

- Imaging Upgrade
- Mugshot Upgrade
- Opportunity Project Portal Development

- CCNO GTL Integration, Log Book Enhanced
- LCCC Book Sheet Redesign
- LCCC Commissary Integration
- LCCC Mental Health Screener

Why Sharing Information is Critical

For nearly fifty years, NORIS has been serving as the centralized repository for criminal justice information in Northwest Ohio. NORIS offers a comprehensive variety of products and services to manage and improve data quality, data sharing, data integration, identity management and cross agency/jurisdiction work flow.

Ensuring Accountability: Having a system in place to share data in a timely manner allows a member of the criminal justice community to take action upon notification of an issue, which hopefully leads to better outcomes. Example - Emailing a probation officer when a defendant is arrested on a new charge.

Making Better Decisions: Without the sharing of criminal justice information, an agency is required to make a decision based on incomplete data. Having a complete criminal history on a person, allows better decision making to occur by a judge, a jail or law enforcement.

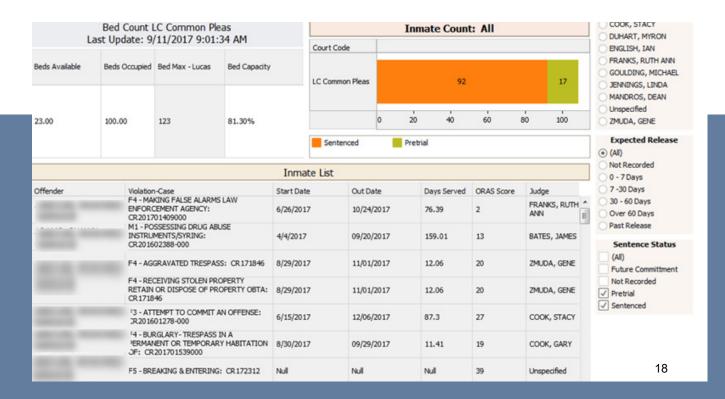

Providing Efficient Services: Sharing data allows multiple agencies to see the same information without having to capture the same data for their agency. This reduces redundant intake and assessment activities. The Jail shares data with both medical service providers and with the Mental Health and Recovery Services Board (MHRSB).

Understanding and Investing in What Works: In order to implement justice reforms, measuring outcomes will help determine if a reform is working. Criminal justice agencies must collect and evaluate what programs are working and what needs improvement. Collecting and measuring data requires information sharing in order to see the 'big picture'. Dashboards allow key performance measures to be available to agencies.

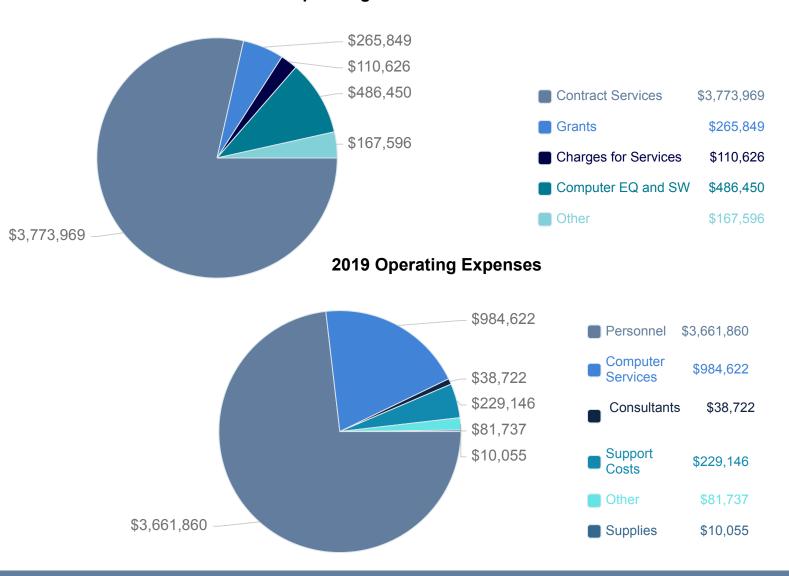

CJCC Fiscal Department

These figures represent an estimate of the 2019 operating revenue and expense positions to be verified by the finalizing of the audit scheduled to be complete by June 30, 2020.

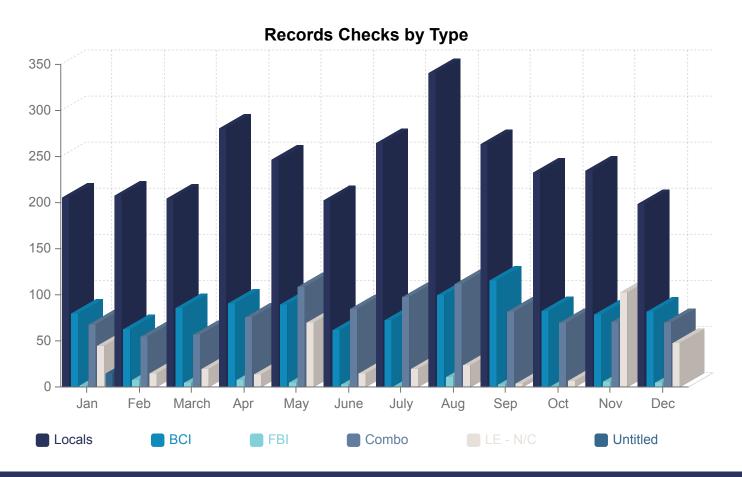

2019 Operating Revenue

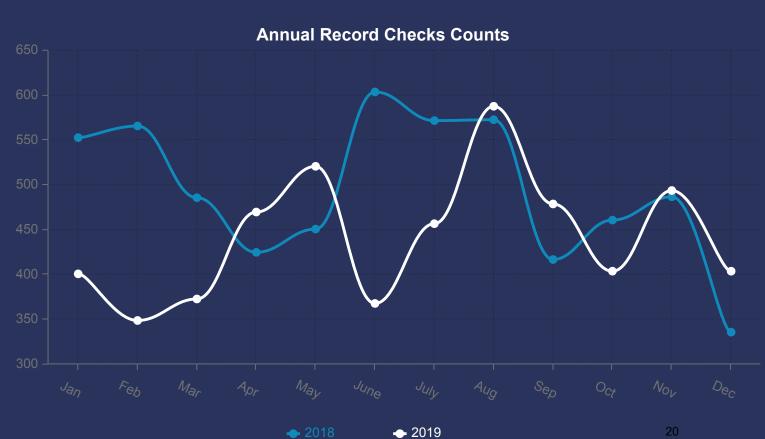

Coming in 2020...

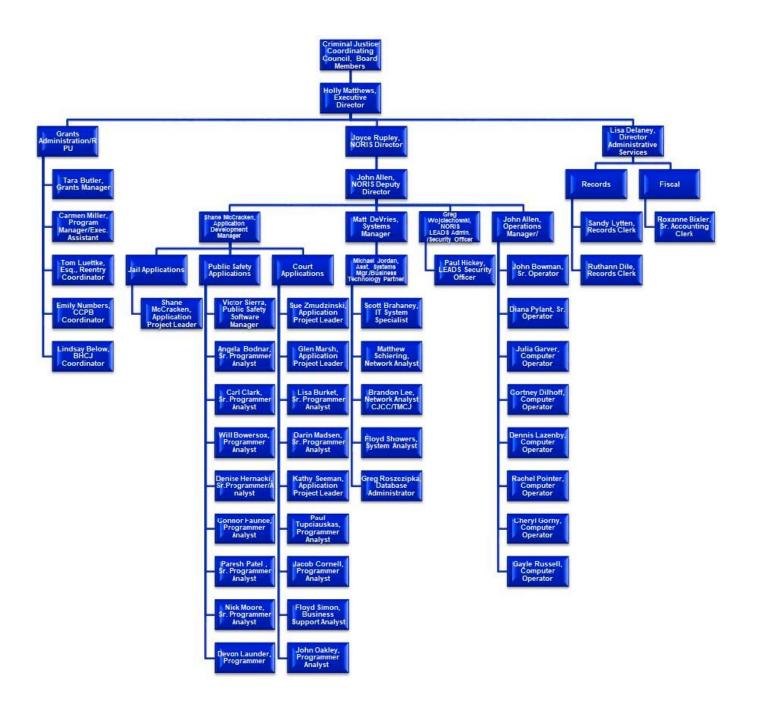

CJCC Records Check

Criminal Justice Coordinating Council Organizational Chart

CJCC Board Members

The CJCC is a thirteen member board comprised of criminal justice representatives, elected officials and citizen representatives. The Mayor of the City of Toledo and Lucas County Commissioners each appoint six members, five of whom are mandatory due to the position they hold. The sixth appointment from each jurisdiction is an appointed citizen. The thirteenth member is appointed by the CJCC and is the Chief of a suburban law enforcement agency.

Mission Statement

The mission of the Criminal Justice Coordinating Council is to promote and foster cooperation and coordination between separate governmental units and agencies, and to improve the criminal justice system through planning, analysis, technical assistance, training, information management, and such other services as requested by the governmental units served.

2019 CJCC Board of Directors:

Chair- Vallie Bowman-English
Vice Chair- Timothy Kuhlman, Judge
Secretary - Julia R. Bates, Prosecutor
Treasurer- John Tharp, Sheriff
Dr. Cecelia Adams, Councilwoman
Gary Byers, Commissioner
Denise Navarre Cubbon, Judge
Wade Kapszukiewicz, Mayor
George Kral, Chief
Lindsay Navarre, Judge
Michael Navarre, Chief
Jeffrey Newton, Chief
Randall Parker, III, Real Men Read Program
