

## NORIS Full-time Programmer Position

Do you like computer programming? We are seeking to fill a full-time position for a programmer/analyst and we will help start your career. This position will have you develop, maintain, and test applications, write Crystal Reports or Tableau Reports, and write transaction SQL code.

The preferred candidate will have the ability to manage multiple priorities, problem solve, communicate effectively with technical and non-technical users and follow established programming standards. The position will be responsible for tracking and reporting on the progress of assigned tasks to both internal and external customers. Prefer working knowledge of SQL, with focus on T-SQL.

Candidate must successfully pass a drug screen and criminal background check.

Position offers medical, vacation and sick paid leave and PERS retirement benefits. Position is open until filled. We are located in downtown Toledo, OH.
